SHIMPO ... a Heavy Duty Slab Roller!

Shimpo's slab roller can produce slabs up to 3 inches thick. The two-roller system evenly distributes pressure on the slab to reduce warping. Dual hand wheels and a thickness indicator provide synchronized fine adjustment and allow you to precisely control the thickness of the slab. The wagon wheel handle provides effortless feeding of clay through the rollers in either direction. The tabletop is 30" wide x 50" long x 36" height. Shipping weight is 167lbs.

- SR3050 Shimpo Slab Roller..... \$1212.00
