

## GLECO SINK TRAPS

Gleco traps offer an easy, clean, cost-effective solution to clay and glaze materials going down the drain. The Gleco Trap fits easily to most existing metal or plastic plumbing, and meets uniform plumbing code requirements in every municipality in the US and Canada. As you clean tools or the container, clay and other heavy sediments settle into the catch jar, while water overflows the jar and continues down the drain. When the catch jar fills up, just unscrew it and put on another one. It's that easy to avoid expensive clogged drains -- and it's a must for environmentally conscious artists. The Gleco Trap comes with all of the necessary parts, and all three sizes of gleco replacement bottles share the same fittings.

GT43 ..... 43oz Capacity kit ..... \$140.00  
 GT64 ..... 64oz Capacity kit ..... \$140.00  
 GT35 ..... 3.5gal High Volume kit ..... \$79.00

GTB43 ..... 43oz Replacement Bottle ..... \$8.50  
 GTB64 ..... 64oz Replacement Bottle ..... \$8.50  
 GTB35 ..... 3.5gal Replacement Bottle ..... \$49.00

GTO ..... Replacement O Rings ..... \$6.99

**Measure twice. Install it once.**

**Use it LOTS.**

When choosing what size to buy for your Gleco Trap, the only limitation is the space available under your sink. The plumbing under your sink may not exactly match the diagram below, but you'll almost always find a pipe down from your sink going into a U-shaped joint called the P Trap. After the P Trap, an elbow joint turns the pipe so it runs horizontally into the wall. Measure the space between the floor and the center of the horizontal pipe right after the P trap. That measurement tells you how much space is available for the Gleco Trap.

Bottle Ounces	Minimum Space	Best Space
43oz.....	13".....	14½"
64oz.....	15½".....	17"
3.5gal.....	17".....	19"

**NOTE:** If you work with plaster or other substances that harden in water, like some glaze materials, it is necessary that you dispose of the bottle when you change it instead of emptying it to reuse.

## WARE CARTS

## Laguna Ware Carts - Special Order only

Laguna's sturdy cart features all-steel construction and 4" hard rubber casters, with a convenient 18-shelf capacity. The ware cart assembles easily, is 24" x 38" x 58" and it can be shipped UPS. This package

includes six 12" x 36" x ¾" exterior-grade plywood shelves. Additional shelves can be purchased separately.

LE101.....Laguna Cart..... \$425.00  
 LE101S .....Extra Shelf (each)..... \$7.95

## Brent Ware Cart - Special Order only

Designed for stability with sides that are constructed from a single bent piece of heavy-walled 1" steel pipe, with welded steel shelf supports. Heavy-duty clamps connect the sides at top and bottom with three 1" steel pipes.

Comes with 4" caster wheels. The base price includes a cover, but shelves are sold separately.

RBCART ..... 77"h x 32"w x 24"d ..... \$950.00  
 RB22634R .....Shelves (set of 12) ..... \$195.00

## Brent Batmobile - Special Order only

Includes a Bat Brace to support your bats and holds up to 90 of the 14" bats. The 4" rubber swivel casters can lock for stability. Adjustable shelves plus a top rack that can be used for your wares in progress.

RBBML.....35"h x 42"w x 14"d.....\$775.00
