

MKM WOODEN STAMPS

Most stamps have two different designs, one at each end. Some designs on each stamp are mirror images, while others are completely different. All stamps are 7cm (2¾") long and made of fine-grained hardwood treated with Tung oil for durability. All stamps are fully labeled for easy identification. The stamps have the same style in each of the three sizes so that they may be used together to build larger, more complex designs.

SCS01 - SCS192
1.5cm (Sm)
Round Stamps \$5.95

SCM01 - SCM264
2.5cm (med)
