

GLW42 Blueberry Matte •

Satin matte and opaque. Soft, mottling satin matte that brings the look of a ripening blueberry: green where thin and turning medium blue as it gets thicker.

GLW43 Bright Blue Matte

Matte and opaque. Vibrant, deep, reliable blue matte glaze with rich satin finish.

GLW46 Northern Lights •

Gloss finish with an amazing range of color from golden amber to khaki tan to blue-purple, depending on thickness of application and clay color. Whiter clays yield brighter, wider colors.

GLW47 Kalamata Black •

Opaque and matte. When thin it produces an olive khaki color. Applied thicker, it mottles to black, achieving a rich breaking black at its thickest.

- recommended for glaze combination overlaps

NOTE: All crackle glazes may run, depending on thickness of application and angle of surface. Apply carefully! Crackle glazes work best on high shrinkage clay bodies.

Using the crackle glazes and wiping back with India Ink, you can create some stunning pieces of decorative ware.

GLW48 Cicada Crackle

A clear crackle with a bright lustrous finish. The color of your clay body will directly affect your results. After firing, brush on India Ink and wipe back to accent the crackle pattern for even more richness!

GLW49 Peking Blue Crackle

A deep, rich, classic Oriental copper blue-turquoise that creates gem-like pools.

GLW50 Dragon Scale Crackle

A beautiful grey-green celadon that reflects the great ceramic tradition of China. Offers a restful 'zen' quality of peaceful green, almost like a warm cup of green tea.

"Bored & Bisected"
by Stacey McGiffin - a thin layer of GLW56 Chartreuse Matte over heavy application of IP208 Winter Storm. Slab construction and fired to ^6.

GLW54 Paprika Matte

This rich rusty red has that wonderful look of reduction, but it comes from reliable oxidation firing! Breaks to a black-brown where thin or on details and edges. Surface is a satiny matte.

GLW55 Turmeric Matte

The inspiration for this glaze is the actual spice, turmeric. A jar of the spice was ever-present as the model for this color! This soft satiny glaze is sure to spice up your work, and it is a food-safe matte glaze!

GLW56 Chartreuse Matte

Hot chartreuse in matte form! Fun and intense, it reveals a mottled character where thin and may crackle if applied thicker. Easy, fun, reliable, and food-safe!

GLW57 Dusty Blue Matte

Soft, warm blue that seems just as familiar as your favorite pair of old jeans! Where applied thinner it breaks to a soft brown, and it yields that reliable blue with even application.

"Time Honored" by Stacey McGiffin - accepted into the 2022 Workhouse Clay International. GLW54 Paprika Matte over full strength IP207 Steel Black, and then wiped back. Aardvark Soldate 60 clay fired in ^6 oxidation.
