MS7500

MS7500-81

Respirators

The North 7700 series half-mask air purifying respirator is NIOSH/MSHA certified. Two cartridges are required for each mask. The MS7500 model is a highly toxic particulate filter (HEPA). The MS7500-81 is approved for respiratory protection against dusts, fumes and mists having a time-weighted average of not less than 0.05 gm/m³, asbestos and radionuclides. Life of cartridge is approximately 8 working hours. *Cartridges and filters must be ordered separately (see below)*

MS7700.....Respirator (**Specify Small, Medium or Large**) \$53.75

Respirator Cartridges - sold in pairs to fit MS7700

MS7500.....Dust Particles Cartridges..... \$17.95

MS7500-81.....Organic Vapors \$46.95

Disposable Dust Masks

Protect yourself! Use these masks while sanding, grinding, dusting or sweeping. The masks filter out nontoxic particles, yet are easier to breathe through than a handkerchief. Made of lightweight filter material with a form-fitting nose piece and elastic headband.

MS600.....**1-19** @ \$2.95 ea.....**20+** @ \$2.40 ea

Aprons

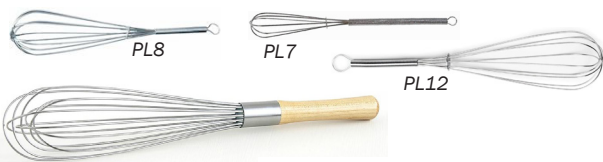

The Black Stallion TruGuard™ 200 is a 9oz. flame resistant cotton apron with adjustable neck and leg straps. Economical and sturdy. The split-leg design allow you to cover your legs while working on the wheel.

ASL.....Black Stallion Split-Leg Apron \$23.95

STEEL WIRE WHIPS

These stainless steel wire whips are great for smaller containers where you need to stir up your glazes or other liquids. They work well for glazes that are not settled.

Item	Length	Handle	Price
PL7.....	7"	Wire.....	\$1.99
PL8.....	8"	Wire.....	\$7.50
PL12.....	12"	Wire.....	\$9.99
PL20.....	20" (made here in Portland, OR!)	Wood.....	\$24.95

MORTAR & PESTLE

One of the oldest grinding tools known. Made from polished marble for toughness, weight and durability. 4" tall.

FR3836.....\$22.50

HANSON MIXERS

The cleat-like teeth on the bottom of these mixers do a great job of digging, chewing up and mixing the solid materials that settle to slip buckets, glaze jars, and other containers.

Item	Head size	Shaft	Price
HM001.....	1¼" wide.....	8⅞" length.....	\$11.50
HM002.....	2¼" wide.....	13" length.....	\$18.25
HM003.....	3⅜" wide.....	17" length.....	\$26.75
HM003L.....	3⅜" wide.....	22" length.....	\$28.75
HM006.....	5⅞" wide.....	23½" length.....	\$67.50

Side-by-side comparison of the heads of Hanson mixers. Mixers stand on the lid of a 5-gallon bucket for perspective.
