

WIZIWIG PROFILE RIBS

If you can throw a cylinder on the wheel, you can use a Wiziwig forming rib to easily, quickly create a variety of forms. Modify or combine the basic forms. Perfect for making matching sets.

- Each rib has 2 profiles and several lip or rim shapes.
- Made of 18-gauge stainless steel, laser-cut to shape.
- They do not flex or bend, and are very resistant to rust.
