\*Restricted from use by children under 13. Adults follow cautionary labels.

## AMACO SHINO GLAZES

The Shino glazes yield wonderfully varied colors depending on their application thickness. A light application favors the warm rust base, a heavier application favors their opaque coloration. Textured surfaces enhances this effect. These glazes are formulated to be 100% mixable for color and finish

## AMACO SATIN MATTE GLAZES

Satin Mattes break slightly over edges and texture with a soft satin feel. These glazes are formulated to be 100% mixable (except for Orange and Red which have a different base). Use Clear Satin to lighten color tones.
