Notes on Parts

- Kiln lids do not come with hinges & hardware.
- Element prices are for EACH element: 2 @ \$69.00 means that section of the kiln needs TWO elements at \$69.00 each, for a total of \$138.00.
- All Skutt elements wrap twice, and come with connectors and pins. Please specify which voltages and phase ratings your kiln needs when ordering elements.
- We stock Skutt kiln elements. Others are by prepaid special order only. We recommend replacing all elements at the same time.
