

MAYCO BISQUE "WONDERGLAZES"

Stroke & CoatPremier products for decorating bisque in 1, 2 or 3 coats! Apply Stroke-&-Coats to bisque, let dry, apply clear or semi-translucent glaze and fire to produce a finish that is almost foolproof for any skill level. They are easy to use, nontoxic, dinnerware-safe and just plain fun! Stroke 'n Coats are hybrid underglazes with glaze ingredients. Like Duncan Concepts, they're intended for use on bisque, but they can also be used on wet clay (if you allow open surface areas for gases to escape during bisque firing).

Did You Know...

Mayco Stroke & Coats and Duncan Concepts can be fired up to cone 6? You can expect some color changes and flowing action in firing, but as this Stroke & Coats plate shows on the left, the final results can be spectacular!

Mayco Stroke & Coats and Duncan Concepts give translucent color with 1 coat, then build toward solid color coverage when you apply 2, or 3 coats.
