

XIEM TEXTURE COMBS

These Ultimate texture combs are great for creating lines and stripes of different widths to produce textural effects on malleable surfaces like clay, thick slip, underglaze, engobes, and paint. These tools are made with silicone to ensure a lifetime of use. Just pull them across the surface in straight, wavy, crisscross, or circular paths.

Aqua Combs = Soft ~ **Green Combs = Firm**
in set A or set B in set A or set B

2 combs per set - each set is \$10.95 ea

Xiem Texture Ribs

The ultimate decorating tools! Each set has 4 different patterns with 3 different sizes (of the same pattern) on each rib. Perfect for adding texture just like the texture combs.

each set is \$13.95 ea
