

Start 2015 off with a bang by learning some new decorating techniques and sampling Georgies clays. All demonstrations are at the Eugene store on Saturdays. Drop in between 10am- 2pm

January 3: Interactive Pigments

Learn about Georgies Interactive Pigments and all the fun that can be had decorating your pieces with these warm and rich earth tones. Learn how to explore and test these pigments with our wide variety of 16 clays and glazes.

January 10: Sgraffito

Try your hand at carving into leather hard clay with colored underglaze. Various Sgraffito tools will be 20% off if you attend the demo!

January 17: Mayco Silkscreens

Come and see how to use the new Mayco Designer Silkscreens! They are easy to apply, provide great, intricate details and can be used with underglazes at both lowfire and midrange stoneware firing temperatures!

January 24: Paper Stencils

See how to use paper stencils as masks on greenware! You can use your craft punches and scrapbooking dies or simply tear paper to use as paper resist! This is a great technique for all those of us who aren't the greatest at painting and drawing!

January 31: Clay Play Day

Finally!!!!!! Another Clay Play Day. Take home any of the Georgies brand clays in 5lb packages to try! FOR FREE!!! Today only from 10 am -2pm!
