- Drop in any time. It's always art time in the OPEN STUDIO! Sculpt and glaze clay projects on your own choosing from very affordable (\$8-18) packages. Decorate and glaze pre-made bisque ware. Or, if you're a clay pro, use OPEN STUDIO time to throw on a potter's wheel. All ages.
- Want to throw clay on the potter's wheel? Learn this fun creative art with a 5-week WHEEL WORKS class for ages 6-8 or 9 and up. Registering now for professionally instructed October classes.
- More clay and classes begin this Fall with professionally instructed 5-week mixed media PORTFOLIO classes for ages 4 1/2-8 and 6-11. Clay is always on the table at FINE ART CAMPS throughout the school year and all summer long!

- Have an hour to spare? Register for THE ART HOUR Saturday mixed media workshops for ages 6 to adults. The focus, especially at holiday season, is often on sculpting and glazing decorative, useful clay art for home or gifts.
- Little ones love sculpting and glazing clay too! Claywork abounds in MINI MASTERS class on Friday mornings (ages 2 1/2-5) and the ART SMART weekly pre-school arts immersion program.
