FEBRUARY 2015 SATURDAY DEMO SCHEDULE

All demos are on Saturdays from 10am-2pm. Drop by and get your craft on!

February 7: Decorating Clay Hearts

Get ready for Valentines Day by decorating some Wonder White clay hearts with French Dimensions and Stroke & Coats! This technique can be used to make many other gifts and it is easy and fun for children!

February 14: Clay Rollers

Make your own clay texture rollers using the Georgies GEX Extruder and the Hollow Die attachment. You can also use this attachment to make hollow tubes for animal legs and other sculptural pieces.

February 21: Latex Texture Mat

Learn how to use thin layers of latex to make a texture mat or stamp. This technique is time consuming but well worth the effort for personalized textures and designs.
