

Versatility and ease of use make Duncan Concepts ideal for artists of all levels. One coat allows for translucent design work, and several coats provide solid color coverage. Concepts can be used with a wide variety of decorating techniques, including majolica. Designed for use with CN2000D Concepts Dipping Glaze, IN1001 Brushing Clear or 26398 Pure Brilliance glazes.

Price Discounts

Quantity discounts apply on quantity orders of the same item.
