

# October Demo's @ Eugene Georgies

**Demonstrations - Saturdays 10 am - 2 pm**

## **Saturday October 5**

### **Slab Building with Templates.**

Discover the success you will have will have when you hand build with Templates ! Sandi Pierantozzi created a set of templates to start your journey.... sizes and shapes of that are interchangeable to suit our creative spirit !

## **Saturday October 12**

### **Terracotta Pumpkins**

A fun project whether your a teacher looking for a special Fall / Halloween project for your classroom or just looking for an idea for your home , this simple slab pumpkin lets the light shine through ! Simplicity and only 1 firing !

*In honor of Oregon Art Teacher's in Service day ..... teachers will receive an extra 10% any purchases.*

**October 10-11-12 is Clayfest .... be sure to visit all the great potters in Eugene and Southern Oregon - you're bound to find a piece that you love !**

## **Saturday October 19**

### **Monoprinting - Image Transfer using Newspaper**

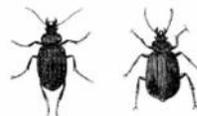

Fun and economical, being able to create your design on newspaper and then apply it to you clay piece is a modern version of a "clay tattoo".

## **Saturday October 25**

### **Scraffitto**

Scraffitto is Italian for "to scratch". Whether you scratch or draw your design into your clay or scratch through an underglaze design to use your clay as contrast or increased texture and dimension you'll find a new way to enhance your work.
