

Maria's New Totem - 2015

Harness a bit of sunshine in your garden year round

The challenge in this year's totem was to work with Georgies New Glazes..... and show off their rich colors and versatility - brilliant execution !

1. Bird - GLW12 Eggshell over IP208 Winter Storm, Interactive Pigment.
2. Star the bird sits on, GLW02 Blue Jeans .
3. Connector - GLW15 Jujube
4. Sunflowers - Petals, GLW55 Turmeric Matte
Head, PG651 Mottled Brown
5. Stem with Leaves - Iron oxide wiped back with GLW56 Chartreuse Matte over.
6. Ball - PG625 Ripe Apple .
7. Bubble Ball - IP206 Sand and Surf Interactive Pigment wiped back, with PG648 Maroon over .
8. Sun Ray Disc - GLW56 Chartreuse Matte (left side) , PG601 Perfect White (right side).
The pink you see happens because the Chartreuse matte "flashes " the white, a chrome -tin reaction.
9. Bottom saucer disc -Buttons, screws - GLW06 Liquid Luster Bronze, Coil Bands - GLW22 Rusty Nails, Body Background- PG652 Burnt Orange,
